

## JOBSEEKERS

### **NCS helped Mansi in giving good start to her career**

Mansi Karunakaram hails from Jhansi. She is currently pursuing B.Tech (Computer Science and Engineering) from SG Group of Institutions, Jhansi. Recently, she got to know about features & benefits of NCS through one of the seminar organized by the Young Professional, Model Career Centre, Jhansi in her institute. With the help of NCS as well as Training and Placement Department of her college, she gave an interview and got selected for the position of “Web Developer” in Bridge Group Solutions, Gurugram, Haryana.

Mansi says that NCS is a great platform where job opportunities are available for all sort of jobseekers. I am very thankful to everyone who has effectively and sincerely helped me to grab this wonderful job opportunity. I would also strongly recommend all the jobseekers to register on NCS Portal and take benefits of this great platform

### **“NCS has changed my life for better” says Saurav Jyoti Sharma**

My name is Saurav Jyoti Sharma. I am from Guwahati and have completed Diploma in Electronics Engineering from Assam Engineering Institute, Guwahati. I was eagerly looking for a job opportunity in some reputed organization. One day, I got the information about upcoming Placement Drive specially organized for Reliance Jio Infocomm Limited at Model Career Centre, Directorate of Employment & Craftsmen Training, Assam. I actively appeared in an interview and got selected for the job position of “Jio Fiber Engineer” in the same company.

I sincerely thank NCS through which I got such a good job opportunity and I surely feel that my life has changed for better.
